

COME join in The United Women in Faith Spiritual Growth Retreat event, **WHEN WE PRAY**, with the Desert Spring women, led by Clair Hart.

The women will gather to share, listen, laugh, and pray collectively while learning more about prayer. We will exam the Lord's prayer as it was originally written, follow the changes that were made, have access to the 2 original languages the Lord's prayer was written, meditate, walk the labyrinth, witness a live reenactment through drama and many other sessions of learning and activities all about prayer. We will study as a whole group, small groups and individually. We will experience lifting our voices and our hands in movement and praise. This will be a full day of learning and worshiping.

All women are welcome to join us in the Desert Spring Church multipurpose room on **August 17 from 9am to 3pm**. Registration required by 8/11.
